FRANKLIN COMMUNITY SCHOOL CORPORATION

The Franklin Community School Corporation prides itself on our ability to define reality, a hands-on approach to challenges, exhibiting outcome-focused leadership, data driven decision-making, open and honest communication, concern for the achievement of all students, and attention to how staff, finances, planning and community satisfaction play key roles in a student's experience.

Our Vision

Franklin Pride...a community of excellence

Our Beliefs

In a safe and nurturing environment, students:

- *Learn at different rates and in different ways*
- *Learn more effectively while actively engaged*
- *Develop positive relationships with adults and peers*

Our Mission

Together we can guide all students to become responsible and productive citizens who achieve academic success.

OUR COMMUNITY

Twenty miles south of Indianapolis and 90 miles north of Louisville, Kentucky, on I-65 and U.S. 31, is Franklin (population 21,201). Franklin is named after one of our nation's founding fathers, Benjamin Franklin.

Franklin, located in the heart of Johnson County, serves as the county seat. A popular suburban community, Franklin's population has grown 8.9% since 2000. As expected, the Franklin community School Corporation has experienced growth as well. We have added 612 students since 2000 to bring us to our current corporation total of 5,019.
